Welding Certification session	8:00am	12:00pm	This is the final day of the certification session with nationally renown Rich De'pue.	Welding instructors		Rich De'pue
Correction Trials and tribulations	8:00am	12:00pm	This session will cover corrections information combining several sources. The Goal is to inform the TIVA Criminal Justice instructors that may not have a clear understanding of the correctional environment- present and future. Sources to include TDJC-ID and ect. This will also cover parole/reintegration of convicted felons. . Correctional Services and Community Supervision are an essential part of the criminal justice system that often times can be easily overshadowed by traditional law enforcement. I think this would be an excellent opportunity for educators to gain material to get students excited about the many careers CJ has to offer.	Criminal justice instructors		Joe Easley Jr. & Tiffany Pena
